Directions to Science Class Room - The room is the Northern most room in Taipa area school. The driveway is by the 60km sign as you are heading out of Taipa towards Kaitia.

If you are heading north, the drive is 10 meters before the sign, and if you are heading south, it is after. The drive leads to the netball courts and gym but the science and math block is on the right as you enter the drive.

There is parking inside the drive and also on the road.
